LIEN SALE & COLLECTION INFORMATION:

In addition to your tow/recovery fee, vehicles will accrue a daily storage fee and lien fees. You will be notified of lien sale via postal service at the address on file with the Department of Motor Vehicles.

If you fail to redeem your vehicle, the vehicle will be sold at public auction in attempt to recover the outstanding towing, storage, and lien fees. If you are the responsible party of the vehicle, it is in your best interest to redeem the vehicle as soon as possible or make other arrangements. This will eliminate any further liability to you.

If you, or your insurance company, or any other agent acting on your behalf, fails to redeem your vehicle within 60 days, it will be considered abandoned.

It is our policy to pursue all means necessary to resolve your legal obligation. We have the right to take you, and all parties listed by DMV to have an interest in the vehicle, to small claims court.

We also have the right to refer this matter to a collection agency for the balance owed. We will report any unpaid debt to credit reporting agencies.

Vehicles sold at auction rarely sell for the amount of charges outstanding. The sale price of the vehicle is deducted from the total bill and the remaining outstanding amount will be processed by our collections department.

YOU DO NOT HAVE PERMISSION TO ABANDON YOUR VEHICLE UPON OUR PROPERTY!
